

NEW LIFE

Words and Music
by John Branstetter

They told me He was just a man
So, “just live your life and do the best you can”
They said that faith is just a crutch
“You can pray and believe, but not too much”

Then Jesus gently took my hand
I know He is the great I AM
He set me free from death and sin
Opened up my heart and came right in

Holy, holy! God almighty,
Peace and joy and new life!
Heavenly Father, sweet Holy Spirit
The King of kings is Jesus Christ!

He said He’s coming back again
I’m going to go and be with Him
My Lord and Savior, Jesus Christ
His love and blood have given me new life

Holy, holy! God almighty,
Peace and joy and new life!
Heavenly Father, sweet Holy Spirit
The King of kings is Jesus Christ!

I know He’s coming back again
Won’t you join me and go and be with Him?
Just give your heart to Jesus Christ
He’s the only true way to have new life!
Just give your heart to Jesus Christ
‘Cause he’s the only way to everlasting life!
